FOR NOMINATION

CHER SMITH

RICK TAVES

ROGER HEWETT

SCOTT BERRY

Cher Smith enjoys the performing arts, attending several events at The Bank Theatre in support over the years. Cher is currently serving and held position of Secretary for LINK, (a local business women's networking group) Board of Directors, since 2016.

As an entrepreneur since November 2000, Cher is a Mary Kay Independent Beauty Consultant and is working toward a leadership role of enriching women's lives.

Prior to moving to Leamington in 2007, Cher was Executive Assistant to the Executive Director at the Community Care Access Centre of Peel, providing administrative assistance to the Executive Director and the Board of Directors. This position involved working closely with staff at all levels of the organization as well as the public.

Rick Taves has been a member of SPP since 1981, when he acted in Table Manners, a play that went to the WODL that year. He won best new actor. He has acted in and directed many productions since then. Rick was there at the beginning of the TBT dream, appearing before six different councils, and attending service club and school staff meetings over two decades. He served on the building and fundraising committees. Rick is a former municipal councillor, teacher, farmer, political organizer and founder of The Wheatley Two Creeks Association.

Roger Hewett began his love for theatre after performing solo piano at age 16, at the theatre of his hometown of Norwich, UK. His musical career has taken him around the world, from performing on cruise ships, writing for stage and screen and, most recently, as musical director with Cirque du Soleil's touring production 'Corteo.' Settled in Leamington since 2016, *Roger* is excited to become actively involved in all aspects of the thriving local artistic community.

Scott Berry is a proud resident of Leamington and feels a special connection to The Bank Theatre. He had his acting debut and got engaged to his wife on The Bank Theatre stage. He believe the theatre should serve to provide culture and the arts to the diverse community of Leamington.
