

THE BANK THEATRE DIRECTORS' CALL FOR THE 2027-2028 SEASON

The Bank Theatre is looking for your next show proposal!

Directors are requested to submit a proposal which includes synopsis, proposed cast and crew numbers and roles, and budget for 2027 and 2028 season.

January & April, September & November & December - Holiday Theme

Demographic - while our audience is growing and changing we are generally seating 35-80 year olds who love to laugh, although being serious isn't out of the question!

It has been established that better known productions sell very well with audiences filling between 75% to almost sold out. Lesser known and or serious productions fall in the 30-50% range of capacity. The recent WODL award winning Halfway There, WODL nominated Calendar Girls and Dracula, and top selling production Young Frankenstein are prime examples of what works well at The Bank Theatre.

The Bank Theatre is a non-profit registered charity and a 211 seat, accessible community theatre with recent sound and lighting upgrades in 2025, a theatre manager, and tasks carried out and run by a mighty group of volunteers!

If you are interested, please request our budget template to pair with your proposal and synopsis by reaching out to Michelle Fortier, Manager at manager@banktheatre.com
